The City Profile is a publication of the City of Alamogordo and is provided as a service to City residents. We reserve the right to edit all submitted entries for length, clarity, style, spelling, and grammar. Published material containing opinions does not necessarily reflect the views of the City of Alamogordo. This publication is also available on the web at <http://ci.alamogordo.nm.us>.

Collection Center

The Alamogordo Collection Center, located at 224 LaVelle Road, will be changing its hours on November 6th. Winter hours are Monday—Thursday 8:00am—4:00pm, and Friday—Sunday 8:00am—5:00pm.

SERVICES PROVIDED:

This is a solid waste transfer station that accepts household garbage, furniture, yard waste, vehicle batteries, cell phones & batteries, rechargeable tool batteries, used motor oil, anti-freeze, household appliances & electronics, ink cartridges and scrap metal.

No liquids, hazardous waste, or animal remains are accepted at the center.

Animal Control

We would like to remind citizens of City Ordinance 7-01-030 concerning animals at large. It states, "No owner or person having control of any animal shall permit it to run at large in the city unless the animal is contained within a park specifically designated for the animal's species."

Many people think this ordinance only pertains to dogs; however, this is not the case. The ordinance pertains to all animals owned inside city limits. For example, cats, according to this ordinance, are not permitted to run loose.

Anyone with questions about this ordinance is encouraged to contact Animal Control at 439-4330.

MainStreet Alamogordo

Alamogordo MainStreet is progressing through an accreditation process to ultimately become a state certified accredited MainStreet Community.

Alamogordo MainStreet recently went through a day long visit and assessment by New Mexico MainStreet representatives from the Economic Development Department. The visit included a walking tour of our MainStreet historical district, a publicly-announced visit with the Mayor, City Commissioners and officials, and finally a working meeting with our board of directors. The assessment went very well and the representatives were impressed at what we have accomplished as a community since their last visit to Alamogordo. We should hear the final results of the visit at the next 3-day Quarterly Meeting being held in the MainStreet district in Las Vegas, New Mexico.

After introducing Executive Director Cam Wilde last month, we are now excited to welcome Claudia Powell as our newest addition to our all-volunteer board of directors! Claudia has lived in the Alamogordo area for 30 years and during that entire time she has raised her children, sold real estate and has constantly remained actively involved in the community. Claudia currently lives in High Rolls with her fiancé, David Dooling, and her mother, Johanna Taylor. It is important to note that her son, William Powell, is actually a Design Program Associate for the New Mexico MainStreet program! We definitely will be working closely with William when we have architectural projects in the future!

Alamogordo MainStreet is always on the lookout for volunteers, advocates, investors, and contributors who all provide the backbone of this community-driven initiative. If you have ANY questions, would like more information, to volunteer, or to inquire about available board of director positions, please email director@alamogordomainstreet.org or call Cam directly at 575-446-3612.
