FOR IMMEDIATE RELEASE

**Realignment of Florida Avenue at First Street**

The City of Alamogordo would like to strongly encourage motorists travelling on South Florida to take the detour at Mimosa Avenue to Playa Azul Street to Washington Avenue rather than taking the Arapaho Trail due to increased congestion in the area.

Please also note that there are no left turns onto First Street from Arapaho Trail and violators will be given citations. The detours and construction in the area will be ongoing for three months. Motorists are advised to use extreme caution in this area.

Project questions or issues may be directed to the Project Manager, Nancy Beshaler, at 575.439.4230 or via email at [nbeshaler@ci.alamogordo.nm.us](mailto:nbeshaler@ci.alamogordo.nm.us).
