

BUSINESS APPLICATION INSTRUCTIONS

Anyone doing business within the City Limits of Alamogordo is required to register that business and pay an annual \$35.00 registration fee for each location of that business within the City.

1. Business Registration Application Packets can be picked up from the Cashiers at City Hall, 1376 E. Ninth Street, from 8:00 a.m. to 5:00 p.m., Monday through Friday. The packet contains the following:
 - Business Application Instructions
 - Business Registration Application
 - State of NM Taxation & Revenue Dept. Application for Registration
 - Miscellaneous Information relating to a prospective business
2. The application for a City Business Registration must be fully completed prior to being submitted to the City for consideration or it will be returned to you. If you have any questions while filling out the application form, please call the City Business Registration Division at (575) 439-4100 for assistance.
 - A) If the business is to be conducted from a location within the City Limits, the application must contain the Street Address and the Lot, Block and Subdivision name or a legal description by metes and bounds of that property. This information is shown on the deed to the property, or you may obtain assistance from the Otero County Tax Assessor at (575) 437-5310.
 - B) It is very important that the section of the application requesting the specific nature of business is completed and the type of business is explained in detail. Some types of businesses may not be allowed within specific zoning districts. Approval of a Business Registration does not constitute permission from the City to operate any business in violation of the Zoning Ordinances, other Ordinances of the City, or other State or Federal laws or regulations governing the operation proposed.
 - C) To qualify as a **Home Occupation**, the business must be carried on by a family member residing upon the premises in connection with which there is used no sign or other advertising display other than one (1) non-illuminated sign attached to the building entrance which is not more than one (1) square foot in size; provided that no commodity is sold upon the premises except that which is prepared thereon; provided that no person is employed other than a member of the immediate family residing thereon; and provided that no mechanical equipment is installed or used except such as is normally used for domestic or household purposes.
 - D) If conducting an **Itinerant Business** (non-permanent such as seasonal sales) or Home Occupation on property not owned by the applicant, a letter of permission from the property owner must be attached to the application.
 - E) An **Address of Record** refers to a permanent address for “the public record” when the actual work or business is conducted at a different non-permanent location (e.g. bldg. contractor, house sitter, etc.).
 - F) Any change to a business (e.g. location, product or type of service, owner, etc.) requires that an amendment application be submitted to the City for approval at the time of the change.

- G) Each independent agent/consultant of a parent company must maintain a City Business Registration unless a blanket registration is maintained by the company (e.g. booth rental, Avon, Pampered Chef, etc.).
3. Applicants must be registered with the State of New Mexico and have a NM Tax I.D. Number, also known as the CRS Number, prior to applying for a City Business Registration. For your convenience, the City of Alamogordo and the State of New Mexico have entered into an Agreement where the City has the applications for a NM Tax I.D. Number and also has the authority to issue NM Tax I.D. Numbers. Applications can be picked up from the Cashiers at City Hall, 1376 E. Ninth Street, from 8:00 a.m. to 5:00 p.m., Monday through Friday. The City forwards the completed State applications to the NM Taxation and Revenue Department in Las Cruces, NM, for processing; however, you will be able to apply for your Business Registration with the Tax I.D. Number issued by the City.
 4. If Licenses are required by the State of New Mexico for the type of work you propose to do, those Licenses must be obtained prior to applying for a City Business Registration. Application for those licenses must be obtained from the appropriate State Agency. If you are not sure whether the type of work you propose to do will require a License from the State of New Mexico, you may contact the NM Regulation and Licensing Department at (505) 476-4500 for assistance.
 5. The completed application for a City Business Registration and the application for a NM Tax I.D. Number may be submitted to a Cashier, in person or by mail, along with the City Registration Fee of \$35.00 (NOTE: There is no fee for the NM Tax I.D. Number). Please allow the City at least fifteen (15) working days to process your application for a Business Registration. You may call the City Business Registration Division at 439-4205 to inquire on the status of your application. You may not engage in business activity until your application has been approved. If your application is denied, City Staff will notify you.
 6. A City Business Registration Certificate will be mailed to you within 30 days of the approval of your application. The Certificate must be posted on the premises (duplicate certificates cost \$10.00).
 7. There are several types of businesses that require a **City Business License** rather than a City Business Registration. They are as follows:
 - Any Business selling *alcoholic beverages* (e.g. restaurants, pubs, bars, grocery stores, fraternal organizations, convenience stores, retail stores, etc.)
 - Public Auction
 - Carnival
 - Circus
 - Firework Sales and/or Display
 - Pawnbrokers
 - Route Food Vendors
 - Firearms Dealers - purchasing or selling secondhand or used firearms
 - Security Agencies - Private Detective, Special Policeman
 - Vehicles for Hire - Taxicab, Limousine Service, etc.
 - Drivers of Vehicles for Hire - Taxicab Drivers, Limousine Drivers, etc.
 - Commercial Solicitors/Peddlers - any person, including an employee or agent of another, traveling either by foot, automobile, truck or other type of conveyance, who goes door-to-door, house-to-house, or along any streets within the City selling or taking orders for or offering to sell or take orders for goods, merchandise, wares or other items of value for future delivery or for services to be performed in the future for commercial purposes. Or, any person who goes from house to house, place to place, or from street to

street carrying, conveying, or transporting foods, wares, or merchandise, meats, fish, vegetables, fruits, garden truck, farm products, or provisions, offering or exposing such for sale or making sales and delivering articles to purchasers. Applicants for a Commercial Solicitor's license who have a permanent business location in the City shall pay an annual fee of \$35.00. No credit or refunds shall be given for partial years. Applicants who do not have a permanent business location in the City shall pay an initial license fee of \$50.00 for a 30 days period. The applicant shall pay a renewal fee of \$25.00 per month for any additional 30 day periods in the same calendar year. No credits or refunds shall be given for partial months.

These types of businesses require an investigation of the applicant and other special requirements such as bonds, certificates of insurance, liquor licenses, etc. The fees for these licenses range from \$15.00 to \$250.00. Applications and information regarding Business Licenses may be obtained from the City Clerk's Office at (575) 439-4100.

8. Other City Permits may be required **in addition** to a Business Registration or Business License.

BUSINESS REGISTRATION IN ALAMOGORDO NM

The purpose of this document is to answer many of your questions regarding business registration in the City of Alamogordo. If you have additional questions regarding the contents of this document or ideas on how to improve it, please let us know.

WHO NEEDS A BUSINESS REGISTRATION?

Anyone doing business within the City of Alamogordo is required to apply for a business registration before conducting said business registrations. This includes but is not limited to the following:

1. Persons conducting business from a principal place of business located within the City of Alamogordo.
2. Persons operating any form of **home occupation** from within the City of Alamogordo. This may include such businesses as seamstress, medical transcriber, music teacher, child care provider, a person contracted to perform billing for another business, independent consultants who travel to various business sites to perform their work, lawn care, etc.
3. **Address of record:** A person, such as a contractor, may operate the business portion of a company from a private residence with all other work done elsewhere.
4. **Itinerant Sales:** Anyone who travels through town and holds temporary sales of everything, from sunglasses to fruits and vegetables, PLEASE NOTE: Written permission from the property owner is required prior to consideration of a business registration application by city staff.
5. Persons involved as non-employee representatives for larger firms, i.e. investment firms, insurance companies, beauticians (booth rental), pyramid sales operations for cosmetics, home furnishings, kitchen equipment and other similar operations.

IMPORTANT CONSIDERATIONS

There are a number of questions for consideration when establishing a business within the City of Alamogordo. The two most important are:

1. Is the zoning correct for the business you wish to establish?
2. Are additional State/Federal licenses required for the work involved?

The city of Alamogordo exercises zoning authority. This is typical to most metropolitan communities. Zoning provides that certain areas of the community are established with restriction of use to specific purposes. This eliminates non-conducive uses of adjacent properties. An example would be a chemical factory next to an elementary school, or a meat packing plant next to a residence. Current land use zones within the City of Alamogordo include:

- | | |
|--|---|
| a. District R-1 Single Family Dwelling | b. District R-2 Townhouse Dwelling |
| c. District R-3 Two Family Dwelling | d. District R-4 Multi-family Dwelling |
| e. District C-1 Neighborhood Business | f. District C-3 Business |
| g. District M-1 Light Industrial | h. District M-2 Industrial |
| i. District MH-1 Manufactured Housing (single) | j. District MH-2 Manufactured Housing/RV Park |

CAN I OPERATE A BUSINESS OUT OF MY HOME?

For the purposes of business registrations, a home occupation business may operate from any inhabited residence. A home occupation has several restrictions that you must consider if you are contemplating such a business.

1. If you renter of the home, you must have written permission from the owner to utilize your home (their property) for the business.
2. The business must be operated by a family member living on the premises.
3. Signage is limited to a single, one (1) square foot, non-illuminated sign attached to the building entrance.
4. No product can be sold from the premises except that which is made thereon.
5. No person may be employed other than a member of the immediate family also living on the premises.
6. No mechanical equipment may be installed or used on the premises except such as is normally used for domestic or household purposes.

In non-residential districts you have more freedom to operate your business. You are, however, restricted to where certain types of business can be located. For example, theaters, sales and show rooms, restaurants, hotels/motels, and similar retail businesses would be located in a C-3 district. A lodging house, limited to 20 persons may be located in a R-4 multi-family zoning district. A factory may be located in a M-1 Light industrial or a M-2 heavy industrial district, depending on what is to be manufactured.

You may wish to apply for an official zoning certification prior to selecting a specific business location. This is available at a cost of \$50. A written request for a certification must include the physical address and the legal description of the property, plus your name and telephone. Drop it off to the City of Alamogordo Planning and Zoning office and you will be called when it is ready.

OTHER LICENSING MAY BE REQUIRED

Before applying for a business registration, you should make sure that your business preparation is in order. In order for you to do business within the City of Alamogordo it will be necessary for you to obtain a State Tax ID number. You may apply for this

with the assistance of a City of Alamogordo cashier, or by calling the NM Taxation and Revenue Office in Las Cruces (575) 524-6225.

If you intend to operate as a corporation, you must register that corporation with the State of NM Corporation Commission. For more information call (888) 427-5772.

If the business you intend to operate requires a license issued by the State of New Mexico, you must obtain that license prior to applying for a business registration with the City. The following is a list of many of the State licensing entities and their number for additional information.

Right ... From the Start

Congratulations on making the decision to launch your own business. Now it's time to develop a plan and choose a legal structure, if you haven't done so, and make sure you comply with state and federal regulations. You can learn more about these requirements on our website, but here's some of what's involved:

❑ **Make a plan**

Studies show that business owners who craft a business plan have a higher rate of success. Just as you wouldn't travel in unfamiliar territory without a road map, you shouldn't embark on a business venture without an idea of where you're going and how to get there. See the *Plan for Profitability* page in this packet.

❑ **Choose a legal structure**

How you structure your business is up to you. You can be a sole proprietor or form a partnership. Perhaps a corporation or limited liability company offers more of what you need. The City can't offer you legal advice, but an attorney can. Effective July 1, 2013, if you incorporate your business, you must file with the New Mexico Secretary of State at www.sos.state.nm.us.

❑ **Obtain a federal tax ID number**

Your business must be recognized by the federal government. While your personal Social Security number might suffice for a sole proprietorship, most businesses require an Employer Identification Number, or EIN. Apply for an EIN at the Internal Revenue Service website at www.irs.gov.

❑ **Obtain a state gross receipts tax (CRS) number**

Apply for a state gross receipts tax number online at the New Mexico Tax and Revenue Service website at www.tax.newmexico.gov. or you may apply for one with the cashiers at water billing at City Hall. You must have an EIN before you apply for the state number.

❑ **Register your business with the City of Alamogordo**

Visit us in person at City Hall after you've received or applied for the state gross receipts tax.

❑ **Obtain necessary permits or certifications**

Permits and certifications are required for specific industries, including construction, financial services, manufactured housing, alcohol and gaming. To see whether your business requires special permits, visit the New Mexico Regulation and Licensing Division website at www.rld.state.nm.us.

❑ **Follow the law when you hire**

The U.S. Department of Labor website at www.dol.gov, lists federal rules governing workplace safety, wages and hours and nondiscrimination. Find rules specific to New Mexico – such as the state minimum wage – at the New Mexico Department of Workforce Solutions, www.dws.state.nm.us. This is also where you register as an employer.
