PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

UPDATE to Valve Replacement Infrastructure Improvement Project

Alamogordo, NM Tuesday, December 31, 2019 Please be aware that the date for the valve replacement infrastructure improvement project has been changed from Monday, January 6, 2020 to Saturday, January 4, 2020. This change has been made to ensure that all the wonderful students and teachers of our brand new Elementary School, Sunset Hills, will have water on their first day of school.

Reminder, the purpose of this valve installation is to improve isolation of water outages in the future. Work will happen at the following intersections: 7th Street/College Avenue, Bellamah Drive/Bonnell Drive, Bellamah Drive/Boyce Avenue, Mountain View Avenue/Madison Avenue and surrounding areas. Due to this construction there will be some road closures and traffic pattern changes. The water outage is expected to begin at 8:00 am and will carry on all day and may continue into the evening hours. Please use caution as you travel through these areas and use alternate routes if possible. The contractor will work as quickly and safely as possible to restore normal water flow. Thank you for your patience and cooperation.
