PRESS RELEASE

CITY OF ALAMOGORDO

City of Alamogordo

July 4th Fireworks Display & Celebration

Alamogordo, NM Wednesday, June 10, 2020 The City of Alamogordo & New Mexico Museum of Space History are excited to announce that the annual fireworks display celebrating our nation's independence, is scheduled to happen on Saturday, July 4th, 2020 at approximately 9:15pm.

The New Mexico Museum of Space History, under guidance from the Governor's Office and Department of Cultural Affairs, will once again host the annual July 4th Fireworks Extravaganza. For the first time in its 42 year history, this year's event will not include any public viewing or tailgating from the museum grounds in the interests of public safety. The display will include shells up to 10" in diameter, and special tributes to the armed forces and first responders. Please tune your radios to Your Country 105.3 FM KZZX to listen in to the patriotic music played in coordination with the display.

Launching the fireworks from the museum grounds, as they normally do, makes the incredible display viewable from most any place in the city. The City is excited that our annual tradition will continue, and we asked that you please continue to practice social distancing and limit the size of the groups that you come together with to view this display. Please also remember to pick up and dispose of your trash properly from wherever you choose to watch.

The City staff are also working on organizing a Reverse Parade that will take place at the Otero County Fairgrounds in coordination with KHII 88.9/100.5 FM Alamogordo & KEDU 102.3 FM Ruidoso. More details on the Reverse Parade to come.

Please have a safe and happy 4th of July, celebrating our nation's freedom.
