SANDBAGS AND EMERGENCY PREPAREDNESS

Alamogordo, NM | Wednesday, October 7, 2020 It's that time of year again, and the Monsoon has come and gone. The Alamogordo Fire Department wanted to keep you informed that all sand bags that were available to the residents of Alamogordo, and were staged at fire station locations have been picked up and stored until next season. If for any reason you need assistance with sand bags due to weather conditions, knock on any Fire Station door, and someone would be more than happy to help, or call (575) 439-4298.

Remember it is the duty of all Alamogordo Residents to stay prepared regardless of the time of year. The Alamogordo Fire Department has put together some helpful tips to help keep you and your family safe.
