CITY PROFILE

CITY OF ALAMOGORDO

New City Website

The City of Alamogordo is excited announce the launch of our new website! We hope that our new site will be easier for our citizens and visitors to use and find the information they need. As we continue to grow the site you will start to see more opportunities to be able to fill out necessary forms online as well as make payments if necessary. You will also be able to create a login and signup for the alerts that are important to you. Check it out today!

Success! The inaugural Red, White & Blue Brew & Music Fest was a great success with over 7,500 people in attendance. The Alamogordo Chamber of Commerce and the City of Alamogordo would like to say thank you to everyone who supported the event, all the sponsors and volunteers, this event couldn't have happened with out the cooperation of many organizations and individuals.

Red, White & Blue
Brew & Music Fest

F-4 Static Display

The City's static display F-4 has been moved into the paint booth at Holloman AFB awaiting booth repairs before paint preparation can begin. Once the booth is operational, sanding and other pre painting work will begin. There is still a short of about \$7,200, needed to purchase the paint to make this aircraft as beautiful as it once was. Business sponsors are welcome and needed as well as any personnel tax deductible donations. Please make checks out to The City of Alamogordo and mail them to Jim Talbert, Alamogordo Airport, 3500 Airport Road #4, Alamogordo, NM 88310. Thank you, and we all will enjoy this piece of Alamogordo's history for generations to come.

The City Profile is a publication of the City of Alamogordo and is provided as a service to City residents. We reserve the right to edit all submitted entries for length, clarity, style, spelling, and grammar. Published material containing opinions does not necessarily reflect the views of the City of Alamogordo. This publication is also available on the web at <http://ci.alamogordo.nm.us>.

Alamogordo Flood Plain Info

Over half of the city's land is in a designated Special Flood Hazard Area (SFHA) which is land that has a 1% or greater chance of flooding in any given year. This is equivalent to a 26% chance of flooding during a 30-year mortgage. Areas not designated as a SFHA also have the potential for damage by a flood greater than that predicted on a flood map or by local drainage problems.

The city does not require flood insurance – it enforces development regulations in the floodplain through the permitting process as outlined in Chapter 13 of the Code of Ordinances. Lenders are mandated by the federal government to require flood insurance. Insurance companies service federally-backed flood insurance and the rates are standardized by the National Flood Insurance Program (NFIP).

A map of the city's floodplain can be viewed at <http://coa-nm.maps.arcgis.com> Go to the Alamogordo Public Map. In the upper right hand corner click on the Layer List icon (3rd from the left). Scroll down and check the box for "FEMA_Flood_Zones_2018". The floodplain layer will turn on after a few seconds to load. In the upper left search box you can type in an address and the map will zoom in to that location.

The Floodplain Manager for the city, Nancy Beshaler, can be contacted at 575-439-4230 or via email at nbeshaler@ci.alamogordo.nm.us

Stage 1 Water Rationing

Ordinance 28-03-035 – Water rationing stage 1 states in section (1) b: Use of watering through a sprinkler system or use of water through a hose to water any grass, trees, plants or other vegetation shall be determined as follows:

1. Users with odd number addresses shall be permitted to use water in the above manner on each Wednesday and Sunday.
 2. Users with even number addresses shall be permitted to use water in the above manner on Tuesday and Saturday.
 3. Watering in the above manner shall be prohibited to use water between the hours of 8 a.m. to 8 p.m.
 4. Owners of newly seeded or sodded lawns or newly planted trees and shrubs are allowed under section 28-03-033 (2) shall be required to comply with this section.
- c. These restrictions shall apply to all residences and to all business and institutions having lawns, gardens, trees, or shrubs and shall be followed at all parks and public buildings which are watered with treated water. Areas watered with reclaimed or private well water are exempt from these restrictions. These restrictions shall not apply to any person, firm or corporation engaged in the business of growing or selling plants of any kind.
 - d. Treated water may be used to fill a swimming pool during the time that the homeowner is entitled to water his/her lawn.
 - f. No water shall be used for fund-raising car washes.
 - g. Washing buildings, decks, sidewalks, driveway, parking areas, tennis courts, patios or other impervious surface areas with a hose except in emergencies to remove spills of hazardous materials or to eliminate dangerous conditions which threaten the public health, safety, or welfare is prohibited.

The City of Alamogordo's Public Works Department requests and appreciates citizens compliance with this rationing and are doing everything possible to relax this situation as soon as possible. If you have any questions, please contact the Public Works office at 575-439-4240.
