WANTED: FOSTER GRANDPARENTS

What is a Foster Grandparent?

Foster Grandparents are role models, mentors and friends to children with exceptional needs, such as reading or need help with tutoring one-on-one. The program provides a way for volunteers age 55 or over to stay active by serving children and youth in their communities. All you need to join is the ability to give the kind of comfort and love that sets a child on the path toward a successful future.

When you volunteer, you're not just helping others-you're helping yourself. Volunteering leads to new discoveries and friends. So get involved, and join Foster Grandparents today! (Corporation for National and Community Service)

For more information about the program please contact Karen Groves at (575) 439-4154, located in the Senior Center.

Alamogordo Airport

On January 12th & 14th, 2019, the New Mexico Museum of Space History will be moving a German Tornado (pictured) from Holloman AFB

to the Space Hall! The exact route is still being planned, but the current plan is to take it out the La Luz

gate on the morning of the 12th and put it on display in the Fairgrounds parking lot that evening. Then move it to the Space Hall on Monday.

All dates are weather dependent. The Tornado will be towed on its own wheels at about 5 miles per hour, so you will have plenty of time to watch and take pictures.

Let's all come out and show our support for the New Mexico Museum of Space History!
