Alamogordo Public Schools

Alamogordo Public Schools SPECIAL ELECTION - MAIL BALLOT - Mill Levy Election ~ NO TAX INCREASE ~

On April 9th, there will be a 2-mill levy election to continue funding the maintenance and upkeep of the Alamogordo Public Schools. This election is held every six years. If approved, it provides approximately \$1.6 million per year in funding to repair, maintain, and improve YOUR schools. APS operates 1.2 million square feet of school facilities. Mill Levy funds provide \$1.33 per square foot to maintain and repair our schools.

This will **NOT** raise your taxes. Passage re-authorizes and continues the existing mill levy that is already in effect. The District is required every six years to ask the voters to renew the mill levy.

Funds received will be used to:

- Provide school security improvements
- Repair and replace heating & air conditioning equipment
- Repair or replace leaking roofs
- Upgrade plumbing & electrical systems
- Paint and refurbish classrooms
- Maintain and repair playgrounds and athletic fields
- Maintain, repair and replace district vehicles & busses
- Replacement of worn out carpet & tile
- Update and maintain fire alarm and safety equipment

The dollars received by APS from the mill levy flow back into the community, providing a significant economic impact. Because the money is used for facility maintenance and repair, businesses such as our local contractors, hardware stores, concrete suppliers and carpet & tile vendors will be impacted by the outcome of the important election.

Any registered voter who lives in the Alamogordo Public School District is eligible to vote.

Send in your ballot by April 9th!

You can find more information at www.aps4kids.org

PLEASE JOIN US IN CONGRATULATING
MEGAN HARRINGTON, PHARM.D

Megan was awarded the CompleteRx Team Covenant Award. The Team Covenant Award is considered to be the highest employee recognition. The award is granted to an individual, out of 200 peer nominations, who best model our company values which emphasize commitment to patient care, collaboration, innovation, ethics, and achieving results. CompleteRx provides inpatient pharmacy services to GCRMC.

Megan is originally from Alamogordo and attended Pharmacy school at Roseman University in Las Vegas. She wanted to go into pharmacy due to her grandfather having cancer and having problems understanding his medications, the community pharmacist was always happy to help. Megan came back to Alamogordo after school because she wanted to help people and give back to the community that made her dream of becoming a pharmacist a reality.

When Megan is not working at GCRMC she volunteers her time at the local schools teaching children about medication safety, prescription drug use and she's also on the Otero County Prescription Overdose Committee. She also enjoys reading, spending time with her family and her son and you may catch her at a few motorcycle rallies.

Public Works Projects

McKinley Channel Flood Control Project

The Corps of Engineers' contractor, Pate Construction, has begun work on the final phase of the McKinley Channel Flood Control project. McKinley Channel will be concrete-lined from First Street by the high school up to the Sacramento Mountains where a large basin will be constructed. Pate Construction began mobilizing in March. The work on the channel will start downstream at First Street and progress upstream to the basin. This project is estimated to take approximately 2 years and 9 months to complete.

For more information about the project, contact the City's project manager, Nancy Beshaler,

at 575-439-4230 or via email at nbeshaler@ci.alamogordo.nm.us
