### Alamogordo Public Library

The Alamogordo Public Library is proud to introduce the new **Video Relay Service** phone for use in the community. The VRS technology is provided in coordination with the New Mexico Commission for the Deaf & Hard of Hearing (NMCDHH) and ZVRS. Alamogordo is the fourth New Mexico public library to acquire VRS technology. The VRS caller uses a video display, broadband internet, and a qualified sign-language interpreter to communicate with a hearing person. This specialized system allows people whose primary language is American Sign Language (ASL) to communicate in ASL rather than typing what they want to say. Additionally, VRS calls may be made between ASL users and hearing persons in either English or Spanish. The VRS phone at the library is free to use and is available when the library is open. Please contact the Reference Desk for more information.

Email [COALibrary@ci.alamogordo.nm.us](mailto:COALibrary@ci.alamogordo.nm.us) or call 575-439-4148. The Alamogordo Public Library is located at 920 Oregon Avenue.
