Alamogordo Public Schools

As the year progresses lots of exciting things are happening at Alamogordo Public Schools including a first in the state of New Mexico.

APS is happy to announce the designation of three schools as Purple Star Schools: Alamogordo High School, Holloman Middle School, and Holloman Elementary School. What is a Purple Star School? To put it simply, it is a school that cares for and supports military students. The Purple Star School Program began in Ohio in 2016 to help military families as they relocate from base to base. Purple Star Schools are attentive to military students transitioning to a new school especially a move during the school year. Purple Star Schools have trained staff that can help students deal with frequent moves and parent separations due to military deployments. The Purple Star School Program has spread since 2016 to ten states: Ohio, Virginia, Indiana, North Carolina, Texas, North Dakota, Tennessee, South Carolina, and Arkansas. Now New Mexico and Alamogordo Public Schools are pleased to join them.

NMSU-A

Degree and Certificate programs at NMSU-A can be accomplished in 24 months or less! And many of these can be done completely ONLINE! Did you know that NMSU-A offers the same general education courses that other universities in our state offer, but at a much lower cost? So, no matter where you plan to finish, you can start here at home either with a face-to-face course, a Zoom course, or an online course. NMSU-A offers affordable tuition! And tuition assistance is available through scholarships and financial aid. There is no better time than now to work on your future. Join the NMSU-A family today! For information about classes offered at NMSU-A or to speak with an Advisor or Financial Aid specialist call 575-439-3600 or ssnmsua@nmsu.edu. See our Spring Class Schedule at <https://nmsua.edu/class-schedule/>.

NMSU-A is sponsoring a FREE hot meal the third Saturday of the month (next time April 17th from 11-1 p.m.) at the Tays Center parking lot. All are welcome.

VACCINATING OUR COMMUNITY

A special thank you to **Team GCRMC** for their commitment to the health of our community. Fifty employees gave up their Valentine's Day weekend to meet the urgent need to vaccinate our community. New Mexico Department of Health, Otero County Emergency Services, Otero County Health Department and the Sgt. Willie Estrada Memorial Civic Center supported this amazing effort to vaccinate 1200 seniors in two days.

Sunday morning weather presented a challenge not frequently experienced by our team; the decision was made early in the morning to continue with our commitment to the community. Thirty five staff members were joined by Mr. Matt Clark, Emergency Service Director to complete the mission we started on Saturday.

From the Vaccination Team: "The snow day was a challenge but the patience and positive attitude of our community made it an amazing and memorable event."

At GCRMC, we gave our first vaccine in December 2020, as of February 26th we have administered 4,460 vaccinations. We are requesting an increase in our weekly volume to accommodate vaccinating 1000 individuals in our Thursday clinic. Vaccines are administered under the NMDOH guidelines for Phase 1b. We apologize for the inconvenience caused by the past two weeks cancellations however, we did not receive the requested vaccines. All cancellations will be rescheduled when we receive confirmation on our shipment. We are expecting to receive this shipment over the next week. GCRMC is prepared and committed to meet the needs of the community in this endeavor.

COVID-19 Information

WHY DO I HAVE TO WAIT TO GET MY VACCINE AFTER I REGISTERED?

When will I receive my COVID-19 Vaccine and why do I have to wait? Three groups are currently eligible: Citizens in group 1A, Persons 75+, and at risk New Mexicans with health conditions. New Mexico is using its doses more efficiently than any state in the country - and we're ensuring that while supplies are limited, those doses go to the places where they can save the most lives and stop the spread of this virus most effectively. Thank you for hanging in there with us, we are in it together!
