Do you know someone - you, your family, your neighbor, your employee - who is having difficulty getting medical/dental/mental health services, reliable transportation, safe housing, or nutritious food? Someone who needs information on parenting, early-childhood learning, daycare, job training, or youth mentoring?

Difficulty accessing these services leads to increased stress in individuals and families. Increased stress may lead to a variety of issues, including the abuse and/or neglect of our most precious resource, our children. **100% Otero** is a local group working to address these needs.

Our goal is to make **100% of Otero County** residents happy, healthy, & productive. Learn more about the group in coming months in this newsletter, on Facebook or contact us at pcrim@tularosa.net (Peg Crim)
