Dudley School Restoration & Preservation Project! We are looking for volunteers to assist in the renovation and set up of the new Community Center & Park. Donations of dollars and artifacts related to Dudley will be appreciated. If you or a family member attended Dudley or Maryland School, please contact the Tularosa Basin Historical Society, 575-434-4438. We are gathering the family stories to be told & preserved.

It has been said that grandparents are a little bit parent, a little bit teacher, and a little bit best friend. For many grandparents, the role of "parent" has become primary. In New Mexico, 12.7% of children under 18 live in homes where relatives are the head of household. Of these children, 10.1% of these children live with grandparents. 100% Otero strives to eliminate childhood trauma by supporting all families. Many local programs that provide support, resources and assistance to parents are also available for grand families. Many Otero County services can be found at [Tenvital Services, New Mexico \(tenvitalservicesnm.org\)](http://TenvitalServicesNewMexico.com). In September we celebrate Grandparent's Day. This year, let us especially celebrate those grandparents that are parenting the second time around. For more information about 100% Otero and the 100% New Mexico initiative, go to www.100nm.org/otero
