CITY PROFILE NEWSLETTER

PRESENTED BY ALAMOGORDO MAINSTREET

Alamogordo MainStreet is so excited to be looking ahead to a major project taking place on the 800-900 blocks of New York Avenue after many years of discussion and development. In cooperation with the City of Alamogordo, \$1.9 million in Capital Outlay funds by way of the NM Economic Development Dept. and New Mexico MainStreet are being utilized to improve the infrastructure – all with the goal of increasing traffic to the district and positively impacting the local economy through local spending. Don't worry! Your favorite local spots will remain open during construction as we will work with owners to make alternate entry and accessibility possible. We are also anxiously awaiting the opening of the Railroad Park with some really wonderful local historical elements and art being contributed to this site. A Union Pacific grant was utilized to enrich and enhance the history of the area with tremendous contributions by the Tularosa Basin Historical Society. Learn more about all the AMS happenings and what the organization is about by finding us on Facebook and checking out our website: alamogordomainstreet.org.
