OTERO

In January of each year, the Department of Housing and Urban Development asks all communities around the country to count the number of individuals experiencing homelessness. This information will be used to better allocate resources nationwide and in our community. Between January 31st and February 3rd, 100% Otero will be asking local citizens if they had a safe place to sleep the night of January 30th. If you would like to volunteer to help with the PIT Count or you know individuals experiencing homelessness that might be willing to speak with us, please contact Nadia Sikes at 575-491-1667 or email [nsikes@tcc-nm.org](mailto:nsikes@tcc-nm.org).
