4 Things to Know

A GCRMC COMMUNITY COMMUNICATION

At Gerald Champion Regional Medical Center, we always seek opportunities to share the great work happening at GCRMC. We are changing our format to share healthcare information that benefits our community. This inaugural edition of Four Things to Know will focus on a brief overview of our status.

COVID

We are in a much better position compared to this time last year. Hospitalizations are low, and diagnosis is less severe. We continue to support vaccines for individuals that are elderly and deemed high-risk.

1

FLU/RSV

We are moving away from our respiratory illness season. However, there was an increase in patients testing positive for flu and RSV this year.

2

On Campus

Our 3-year construction project is complete. We are enjoying our new and expanded emergency department. All patients have private rooms in addition to four new trauma rooms.

3

Coming Soon

Champion Family Medicine Residency Program will relocate to a newly renovated location on campus in complex B. This is the fourth year of the program. This residency program collaborates with Memorial Medical Center and Burrell College of Osteopathic Medicine. Each year three new family medicine residents began their 2nd year of residency at GCRMC.

4

ESCAPE YOUR

AT NMSU-A'S
AGGIE I LAB!

Project RC3 partners with Learn New Mexico to create and offer Aggie I Lab, a virtual reality (VR) lab that is located on the NMSU-A campus.

OPEN FRIDAYS 8AM-12PM

The Aggie I Lab provides NMSU-A faculty with the opportunity to offer interactive learning to their classrooms to engage in virtual activities related to their program of study.

The virtual activities help prepare college students for careers through simulated experiences that keep them engaged in learning. The intention is that these activities will help increase NMSU-A enrollment, retention, and graduation rates.

Project RC3 is sponsored by the Title V DHSI Project that is funded by the U.S. Department of Education.

Alamogordo Public Library

The Alamogordo Public Library offers **Homebound Delivery Service** of items for patrons who are homebound and who reside within the city limits. Staff will deliver selections for patrons and later pick them up for return. For more information about this service, please contact us at 575-439-4140 ext. 2 and ask for Senta Carcopa.

The library is launching a **book club** with two meeting times: Wednesday, **April 5th** and Saturday, **April 8th** from 11 - 12 pm in the Southwest Room. Participants may chose the day/ time that works best for them. For this session, we will be reading any book by author Nora Roberts or her pseudonym J. D. Robb, and we will discuss the books and the author during the meetings. If anyone needs help in choosing a book you may contact us at the reference desk.
