Keep Alamogordo Beautiful!

Help Keep Alamogordo Beautiful by participating in one of our many volunteer opportunities. We have something for everyone, from litter cleanups to beautification projects.

- **Adopt-a-Spot:** Adopt a public space in your community and help keep it clean and litter-free.
- **Litter Cleanup:** Join us for a litter cleanup and make a difference in our community.
- **Beautification Project:** Help us plant flowers, trees, and shrubs to make Alamogordo even more beautiful.

Your volunteer hours will help make Alamogordo a cleaner, more beautiful place to live, work, and play.

Sign up to volunteer today at

www.KeepAlamogordoBeautiful.org.

Thank you for making Alamogordo Beautiful!

The City Profile is a publication of the City of Alamogordo and is provided as a service to City residents. We reserve the right to edit all submitted entries for length, clarity, style, spelling, and grammar. Published material containing opinions does not necessarily reflect the views of the City of Alamogordo. This publication is also available on the web at <http://ci.alamogordo.nm.us>.

Understanding the Special Flood Hazard Area

What is the Special Flood Hazard Area (SFHA)

An area having special flood, mudflow, or flood-related erosion hazards, shown on a Flood Hazard Boundary Map (FHBM) or a Flood Insurance Rate Map (FIRM). About 50% of Alamogordo is within the SFHA.

Building in the SFHA

For all new construction in Alamogordo, developers must go through the Planning & Zoning department before proceeding to Construction Industries Division at the state level. A Flood Map Information Request is required for all new construction. With the information from the Flood Map Information Request Form, the city will provide the beginnings of an Elevation Certificate which will include the Base Flood Elevation. All new construction in the SFHA must be built at or above the BFE provided for that specific property. Once construction is complete, a licensed surveyor must complete the Elevation Certificate started by the city, showing the new building was built at or above the BFE.

Protecting Yourself

You never know the depth or threat of water. If a road is flooded, turn around, don't drown.

Protecting your property

Take precautions to protect your property from flooding. Make sure mechanical equipment is elevated above the BFE and keep important documents in an elevated location.

Homeowners and renters in the SFHA should purchase flood insurance to help protect their assets in case of a flood.

Protecting the Floodplain

The City of Alamogordo has manmade flood channels as well as natural arroyos that carry floodwaters through our community. It is imperative to keep these flood channels clear to not disrupt the flow of water. This means no dumping waste in our flood channels and arroyos.
