New Addax Calf

We're thrilled to announce the birth of our very first Addax calf! These desert antelopes were once found all over Africa, but today fewer than 100 remain in the wild. Uncontrolled hunting, droughts, habitat loss, and regional conflicts have led to a dramatic decline in their numbers. Addax are now critically endangered.

Come visit us to meet our newest addition and learn how you can help protect this incredible species.

Earth Day

Saturday, April 19, 2025 from 10 am to 4 pm at the Alameda Park Zoo

Best of all, entry is FREE for this special event. There will be fun activities, educational programs, and plenty of ways to get involved as we work together to protect the Earth for future generations. We are accepting applications for educational booths and food vendors.

Senior Companion Program

Senior Companion Volunteers are seniors who provide friendship, assistance, compassion, and support to homebound seniors who are frail, disabled, or terminally ill.

Chatting over a cup of coffee or tea, playing cards or board games, assisting with errands and appointments, helping to organize areas of the home, helping with simple chores, or coming to the Alamo Senior Center to enjoy activities together are some of the many things you can do!

Call 575-439-4150 and ask for Rene' Reynolds to get the ball rolling!
