## Alameda Park Zoo

### **New Residents:**

We're so excited about how our newest zoo residents are settling in!

Any time animals move to a new home, it takes a little while to adjust to new spaces, sounds, routines, and caretakers. Our team has been giving the sloths plenty of quiet time, careful monitoring, and lots of behind-the-scenes care to help them feel comfortable.

And by the looks of it... they're doing great! Relaxed, curious, and already showing off those slow-and-steady sloth vibes.

We can't wait for everyone to meet them as they continue to get more comfortable in their new home here at Alameda Park Zoo!
