PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

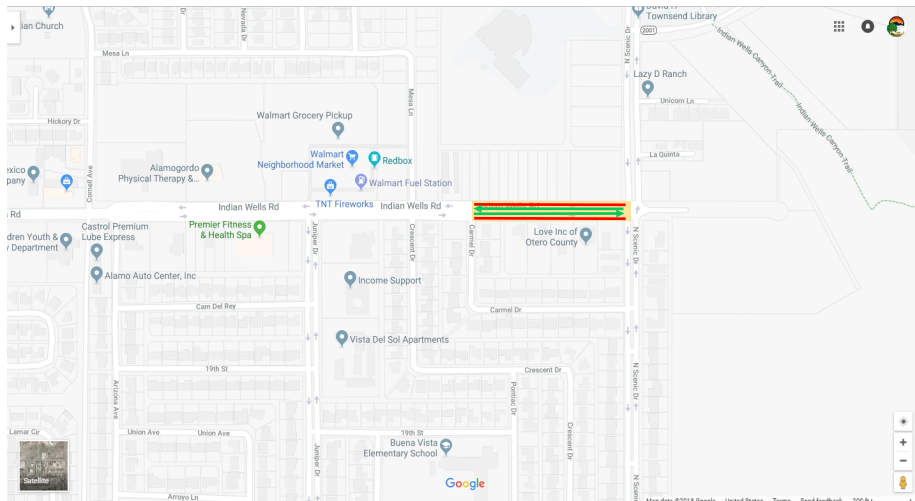

Lane Closures on Indian Wells Rd.

Alamogordo, NM Friday, October 12, 2018 Starting Monday, October 15, 2018, City crews will be closing 2 lanes on Indian Wells Road from Carmel Drive to North Scenic Drive. There is an ongoing leak in the area and City crews will be replacing the line, backfilling a trench, and re-surfacing.

During the time of utility work, Indian Wells will be a divided two lane road; the outer lanes in each direction will be closed.

We ask all motorists be extra cautious while going through the traffic control / work area, or seek an alternative route during this short period of time. The lane closures are expected to be last for approximately 3-4 days. With that said, unforeseen issues may arise, but please be aware city crews will be working hard to get the project completed as quickly as possible so normal traffic can resume. Thank you all for your patience and cooperation with City Utility Crews.
