PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

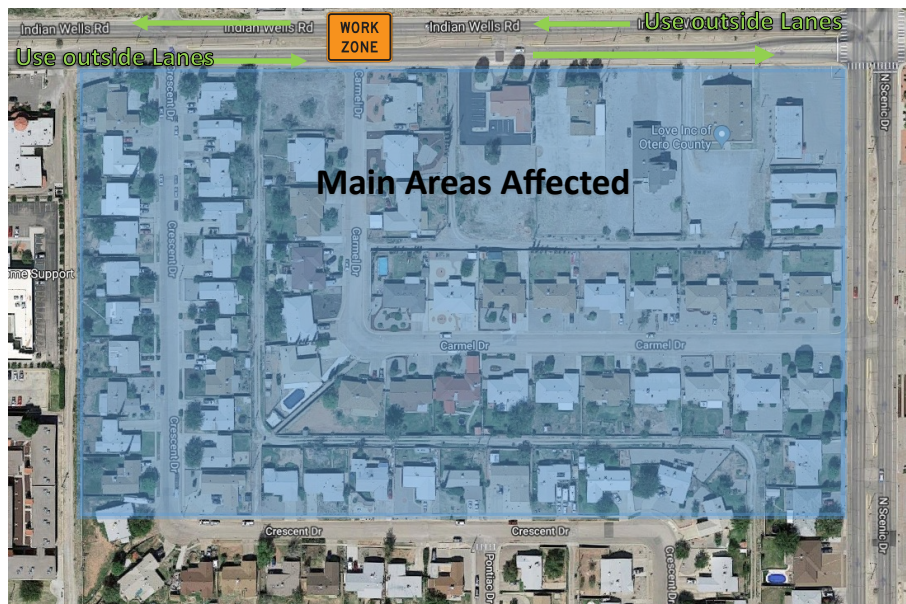

Upcoming Water Outage and Traffic Pattern Changes

Alamogordo, NM Monday, July 8, 2019 Please be advised, Utility Maintenance will be replacing an isolation zone valve at the intersection of Indian Wells Rd and Carmel Dr. Traffic will be restricted to just the right hand lanes, traveling east and west on Indian Wells Rd.

Due to the valve replacement a water outage will be scheduled for Tuesday, July 9th between 7am to 3pm. The outage will affect Indian Wells Rd from Crescent Dr. to Scenic Dr. and all the homes on Carmel Dr. Also, there will be little to no water pressure in the upper portion of Zone 1 down to 18th St. (see map at link <http://tiny.cc/WaterZones>) This may also affect homes in the Granada subdivision and north of NMSU-A. The lower portion of Zone 1 from 18th St. to Abbott Ave. (East of Scenic Dr.) and surrounding areas may experience low water pressure as well.

Crews will work as quickly and safely as possible to restore water to the affected areas. We thank everyone for your patience and cooperation as we work to improve infrastructure and services.
