## PUBLIC SERVICE ANNOUNCEMENT

**CITY OF ALAMOGORDO**

# City of Alamogordo

## Upcoming Traffic Pattern Changes and Road Closures

**Alamogordo, NM Friday, December 13, 2019** Please be aware that a contractor will start digging for the installation of new valves on Monday, December 16, 2019. The purpose of this valve installation is to improve isolation of water outages in the future. Work will happen at the following intersections: 7<sup>th</sup> Street/College Avenue, Bellamah Drive/Bonnell Drive, Bellamah Drive/Boyce Avenue, Mountain View Avenue/Madison Avenue and surrounding areas. Due to this construction there will be some road closures and traffic pattern changes. This work is expected to last until Monday, January 6, 2020 and no water outages are expected at this time. Utility Maintenance will barricade the areas and direct traffic when the contractor starts digging. A map is attached with star figures around the cluster of valves that will be affected, also there is an (X) on the single valves that will be affected in the surrounding areas. Please use caution as you travel through these areas and use alternate routes if possible. The contractor will work as quickly and safely as possible to restore regular traffic flow. Thank you for your patience and cooperation.
