City of Alamogordo -Oh! Outdoor Happiness Movement Grant

Alamogordo, NM Thursday, January 23, 2020 In the Spring of 2019, the City of Alamogordo received a grant from the McKee Foundation, as part of their Oh! Outdoor Happiness Movement project to purchase and install new playground equipment at Washington Park. The citizens voted on their choice of equipment in June, 2019 and work began. Our Parks Department crews worked quickly to remove tons of sand to allow for the installation of the new equipment and installed ADA engineered wood mulch. The removal and installation of the new mulch was made possible with additional funds from the City. Thanks to everyone's hard work the equipment installation was completed in time for the annual Christmas Tree Lighting!

If you haven't had a chance to bring your children out to the playground yet, please stop by soon and try out the new Saddle Spinner, Cascade Climber, Curva Spinner, Bobble Rider Double, Bobble Rider Single, and Swing Set. The City is grateful to the McKee Foundation for the opportunity to improve Washington Park for the benefit of our community.
