Park Rentals Resume Under Yellow County Status

Alamogordo, NM Thursday, March 25, 2021 With the announcement yesterday that Otero County continues to be in the Yellow level of the Red to Green Framework for reopening our State, the Alamogordo Family Recreation Center will start permitting park areas beginning today, Thursday, March 25, 2021, for two-week increments. Rental availability will be updated every two weeks when Otero County's color status is updated by the New Mexico Department of Health.

Per the Public Health Order, there will be no park rentals if Otero County is in the Red level. At the Yellow, Green, and Turquoise levels, the AFRC will temporarily waive the 7-day notice requirement for rentals and only require a 24-hour-notice. However, if requesting electricity with your rental, AFRC staff will require a 48-hour-notice*.

**Weekend rentals requesting electricity will need to notify the AFRC by the prior Thursday morning.*

AFRC phones will be manned from 8 am - 12 pm Monday - Friday to answer questions and book reservations. After 12 pm, please leave a message and AFRC staff will return your call the following business day between 8 am - 12 pm.
